- ◇ You must pass Basic 2 to be in Hockey Learn to Skate
- ◇ ISI Program: Level 1-Delta
- ◇ Gloves/Mittens required
- ◇ Helmets and knee pads recommended
- ◇ 30 minutes instruction / 30 minutes practice
- ◇ Skaters progress from one level to the next when they can complete all the skill requirements in each level
- ◇ Skaters progress as they can complete the required skills
- ◇ ISI testing included in class cost (as needed for PreAlpha and above)
- ◇ Classes are Friday and Sunday (Summer times may be different)

Advanced Classes

Future Stars

- Available to skaters who have passed Learn to Skate Level 3
- Skate rental is **NOT included** in the class cost. At this level, skaters should have their own equipment.
- Skaters must dress appropriately and hair must be tied back
- Gloves/mittens required
- All skaters get a program set to music that they can use for shows and competitions. Skaters may pick their own music and all choices must be sent in prior to the start of class
- Training packages are available with freestyle (private lessons) and off ice classes to supplement your training
- Any competition entry fees, competition coaches fees, and travel fees are NOT included in the class pricing
- Classes are approximately 30 minutes instruction and 30 minutes practice
- Adult Advanced class is 30 minutes instruction and 40 minutes practice
- Each class consists of an off ice warm, on ice warm up, skill review, program review, and practice time
- All Future Stars receive a Red Future Stars sweatshirt and can be class assistants on Learn to Skate Classes (see Tiesha for details)
- ISI testing included in class cost (as needed)
- Music tags for RinkMusic are an additional fee
- Skaters may sign up for multiple Future Stars classes.
